

Name:	<u>UTTAR PRADESH JOURNAL OF ZOOLOGY</u>
Manuscript Number:	Ms_UPJOZ_3495
Title of the Manuscript:	Impact of Heavy Metal Pollution on the Environment
Type of the Article	Review Article

1: Review Comments

	Reviewer's comment	Author's feedback
Compulsory REVISION comments		
1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)	Yes, due to this article survey sources of heavy metals in the environment, harmful impacts of heavy metals on the environment and strategies to control heavy metal pollution.	
2. Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
3. Is the abstract of the article comprehensive?	Yes, but is used some difficult words like "tremendous". Try using simple synonyms, like "huge" because most readers of scientific papers are not native English speakers.	For the convenience of non-native English speakers, difficult scientific terms were replaced with simple synonyms in the text.
4. Are subsections and structure of the manuscript appropriate?	Yes	Recent references quoted in the review article were highlighted with yellow colour.
5. Do you think the manuscript is scientifically correct?	Yes	
6. Are the references sufficient		

and recent? If you have suggestion of additional references, please mention in the review form. <u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u>	Please, use new references	
<u>Minor</u> REVISION comments	Please rewrite this paper and don't use difficult words because most readers of scientific papers are not native English speakers	Difficult scientific terms in the text were replaced with simple synonyms.
<u>Optional</u> comments
