

Name:	<u>UTTAR PRADESH JOURNAL OF ZOOLOGY</u>
Manuscript Number:	Ms_UPJOZ_3513
Title of the Manuscript:	A Study on the Diversity and Distribution of Spider Fauna from Sree Krishna College Campus of Thrissur district, Kerala, India
Type of the Article	Original Research Article

1: Review Comments

	Reviewer's comment	Author's feedback
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community?</p> <p>(Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable?</p> <p>(If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient</p>	<p>Nicely written manuscript with appropriate test and statistical analysis.</p> <p>In my point of view, can remove A in starting and mention at instead of from. Because whole study done and conducted at premises.</p> <p>Yes, but can add on few lines about comparative study sites of spider faunal diversity.</p> <p>Time duration of study and observation conducted is differing in introduction and materials and methods as highlighted. Make sure that it is same.</p> <p>Yes, as it is done with various statistical analyses.</p> <p>Yes, references are sufficient but should be in alphabetical and chronological order.</p>	

<p>and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>This much correction needed in manuscript.</p>	
<p><u>Minor</u> REVISION comments</p>	<p>Keywords should be in alphabetical order to better sequential understanding.</p> <p>It is suggested that have a look on total number of spider species in table-1 in result section as highlighted.</p>	
<p><u>Optional</u> comments</p>	<p>Time duration of study in morning and evening session is varying as mentioned 3 hours in morning and 2 hours for evening.</p>	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
