

Name:	<u>UTTAR PRADESH JOURNAL OF ZOOLOGY</u>
Manuscript Number:	Ms_UPJOZ_4513
Title of the Manuscript:	Nanotechnology's Voyage: Enriching Aquafeed with Nutraceuticals
Type of the Article	Review Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This paper bridges two critical fields - nanotechnology and aquaculture nutrition - addressing a fundamental challenge in aquafeed development: the efficient delivery of nutraceuticals. It advances our understanding of how nanocarrier systems (liposomes, nanoparticles, nano-emulsions) can be specifically adapted for aquatic environments, which present unique challenges compared to terrestrial animal feed systems.	YES.
Is the title of the article suitable? (If not please suggest an alternative title)	Change the title "nanotechnology's" remove it	

Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract change the term	OK
Is the manuscript scientifically, correct? Please write here.	yes	Ok.
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Most of the references are old . add new references	Thanks. Incorporated.
Is the language/English quality of the article suitable for scholarly communications?	yes	ok
<u>Optional/General</u> comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i><u>(If yes, Kindly please write down the ethical issues here in details)</u></i>	No ethical issues
